## REMARKS

Apart from correction of one grammatical error, the foregoing amendments replace Application Serial Nos. with U.S. Patent Nos. for various patents issued to one of the present co-inventors. The amendments are fully supported by the original application and do not in any way constitute new matter. The amendments improve the clarity of the application.

No fees should be required. However, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to these materials, the Examiner should contact the undersigned representative to discuss deduction from Williams, Morgan & Amerson Deposit Account No. 50-0786/4001.002282.

Should the Examiner have any questions or comments regarding the present application as a whole, a telephone call to the undersigned Applicants' representative is earnestly solicited.

Respectfully submitted,
